Publiek domein

The public domain is the sovereign space of all citizens of the world. Like the air we breathe, it is free for all people to use, without restriction, no rights reserved. Our public ownership of this domain of knowledge should be understood as a fundamental human right to access our shared knowledge, the use of which is not the result of a grant by any specific government.

Auteur:

Melanie Dulong de Rosnay en Juan Carlos De Martin

Herkomst:

[*The public domain: Foundations for an Open Culture*, Open Book Publishers, Cambridge, 2012. \(blz xii\)](#)
